**Att: MIKE RICCA**

On behalf of ATLANTIC ELECTRICAL GROUP we would like to thank all your staff and manpower with a last minute third shift expedited schedule at the Best Buy project in Brick NJ Mike was able to reach out to the men and provide us with what we needed, the men went above and beyond to get the project done ahead of schedule with professional and exceptional quality work, below are the names of the men that performed the work and hopefully this letter finds its way to them as well  
THANK YOU.
